Dear [Redacted]

STAT

[Redacted] Chairman of my Science and Technology Advisory Panel (STAP), tells me that you are willing to serve as a member of STAP. I am most pleased to invite you to do so.

STAT

I feel having your expertise available in a number of areas, including [Redacted] would help make STAP even more effective than it has been for previous directors and myself. Your participation will help the Intelligence Community to solve a variety of problems that STAP is, or will be, working on for me.

STAT

I look forward to meeting you in person at the STAP meeting on 15-16 March 1982.

Sincerely,

William J. Casey
